Hi Lisa,

Ok this is what I found let me know if this works.

Best

Dear Gabe:

Thank you for taking my call this afternoon. Currently I am working with Hollywood Division in regards to posting the Lock It Hide It Keep It signage with the Hollywood Media District BID. I am looking to have 100 or so metal signs fabricated to be installed on Hollywood streets.

I would love to have the artwork and I can do the rest. Thank you again for your assistance.
